## About Federated Hermes

Guided by our conviction that responsible investing is the best way to create wealth over the long term, Federated Hermes provides specialized capabilities across a wide range of asset classes to investors around the world. The company offers a broad range of investment strategies, from liquidity solutions to high active share global and regional equities to active credit and private markets. Each investment team works with Responsible Investing Office personnel as they look to incorporate proprietary ESG tools and insights from our in-house engagement and stewardship team, EOS at Federated Hermes.
