## 4. Escheatment

### 4a. Lost Shareholder

It is important that you notify the Fund of any changes to your contact information, including both mail and email addresses. If the Fund's communications to you are returned as undeliverable, the Fund will try to reestablish contact with you. If those efforts fail and you are reasonably deemed to be a "lost shareholder," the Fund may elect to suspend account activity, program elections (including, systematic investment, withdrawal or exchange elections) and mailings. In addition, most states require entities like the Fund to turn over assets of lost shareholders following a period of time. Accordingly, the assets in your account may be transferred to the appropriate state if no activity or communication occurs in your account within the time period specified by state law. Once assets are "escheated" to a State, a shareholder will not be able to access their assets through the Fund. To avoid these kinds of problems, we urge you to keep your contact information with the Fund accurate at all times.

### 4b. Designated Representative

Residents of the state of Texas may opt to designate a representative to receive abandoned or unclaimed property (escheatment) notifications by completing the "Unclaimed Property Designation of Representative" form (the "Form"), which can be found on Texas' Comptroller's website. While the designated representative does not have any rights to claim or access the Shareholder's account or assets, the escheatment period will cease if the representative communicates knowledge of the Shareholder's location and confirms that the Shareholder has not abandoned his or her property. The completed Form **must** be mailed to the Fund (if your Shares are held directly with the Fund) or to your financial intermediary (if your Shares are not held directly with the Fund). If a Texas Shareholder opts to designate a representative to receive escheatment notifications, any escheatment notices will be delivered both to the Shareholder and the designated representative.

## 5. Cost Basis Account Election Methods

**Please select one of the cost basis accounting methods listed below.** If no standing order is elected or if no instructions are received with the redemption order, our default cost basis method of Average Cost (ACST) will be applied. ACST controls the selection of shares used to calculate the cost basis and computes the loss or gain on the redemption.

- Average Cost (ACST)
- First In First Out (FIFO)
- Last In First Out (LIFO)
- High Cost First Out (HIFO)

- Low Cost First Out (LOFO)
- Loss Gain Utilization (LGUT)\*
- Specific Lot Identification (SLID)

If electing SLID, please choose a secondary method: \_\_\_\_\_

*Note: Average Cost cannot be chosen as a secondary cost basis account method.*

Internal Revenue Service regulations require mutual funds that produce tax Form 1099-B to report cost basis information on covered shares beginning January 1, 2012.

***This is a general interpretation of the tax laws. Specific questions about your situation can be directed to your tax or investment professional.***

*\* Loss Gain Utilization will decrement lots taking losses first. For lots that yield a loss, short-term lots will be redeemed ahead of long-term lots. For gain, long-term lots will be redeemed ahead of short-term lots.*

## 6. Distribution Options

Please select the distribution option for each fund. If not selected, dividends and capital gains will be reinvested at the net asset value to purchase additional shares.

Dividends

- Cash  Reinvest
- Cash  Reinvest
- Cash  Reinvest
- Cash  Reinvest

Capital Gains

- Cash  Reinvest
- Cash  Reinvest

- Cash  Reinvest

*Generally, a dividend and/or capital gain distribution by check that is less than \$25.00 will automatically be reinvested into your account, unless you have elected to receive cash distributions that are directly deposited into your bank account via wire or ACH.*

*If checks remain uncashed for 180 days, future dividends and capital gains will not be distributed but will be reinvested into your account.*

## 7. Related Accounts

The front-end sales charge may be reduced or eliminated by combining purchases in all related accounts of the Funds.

- Letter of Intent for Class A or F Shares** — To reduce the sales charge on this purchase, you need to submit a Letter of Intent with this application, unless an existing Letter of Intent is on File. Contact your investment professional, the Funds, or their transfer agent to request the form, or complete the form online at [FederatedInvestors.com](http://FederatedInvestors.com) and print to sign.
- Concurrent Purchases and Accumulated Purchases** — I own shares of more than one fund/share class.
