

Letter of Instruction

The **USA PATRIOT Act** requires the Federated Hermes Funds to obtain, verify, and record information that identifies each person who opens an account. Failure to provide required information may result in processing delays. Additional documentation may be requested. If we are unable to verify this information, your account may be closed and you will be subject to all applicable costs.

*This letter should **not** be used to change ownership or redeem shares of a non-retirement account due to the death of the account owner. Please contact Client Services for information concerning the appropriate forms.*

Please complete all applicable fields using blue or black ink, and print clearly in capital letters.

An **original** STAMP2000 Medallion Guarantee ("MSG") is required. Please contact the guarantor *in advance* to confirm signature and document requirements. An MSG is designed to protect the account from fraud and may be obtained from any of the following institutions:

- bank or trust company;
- savings association;
- credit union; or
- broker, dealer, or securities exchange member.

Original Medallion Guarantee or
Signature Validation Program Stamp

Signature verification by a notary public is not an acceptable substitute. The signature Validation Program Stamp may be used for non-financial transactions.
