Dear Valued Client,

The U.S. Department of Labor (DOL) requires annual reporting of information concerning employee benefit plans subject to ERISA. This information must be reported on Internal Revenue Service Form 5500 and must include all required schedules and attachments.

For the calendar year 2018, Federated Prime Cash Collective Investment Fund (PCCIF) will NOT file directly with the DOL certain financial statements on its own Form 5500 as a Direct Filing Entity (DFE).

However, the following information is being provided to assist you in completing your firm's required 2018 Form 5500 and schedules:

- Federated Prime Cash Collective Investment Fund is a collective trust.
- Federated Investors Trust Company is the sponsor of PCCIF.
- PCCIF's Employer Identification Number (EIN) is 816541627.
- The PCCIF Plan Number is 001.
- PCCIF seeks to maintain a stable net asset value of \$1.00 per Unit by valuing its assets at their amortized cost.

PCCIF's most recent audited financial statements and Offering Circular can be obtained from our website at www.FederatedInvestors.com.

Please contact a Federated Client Service Representative at 1-800-245-5051, option 2 if you have any questions.

Sincerely,
