

## Record of outperformance

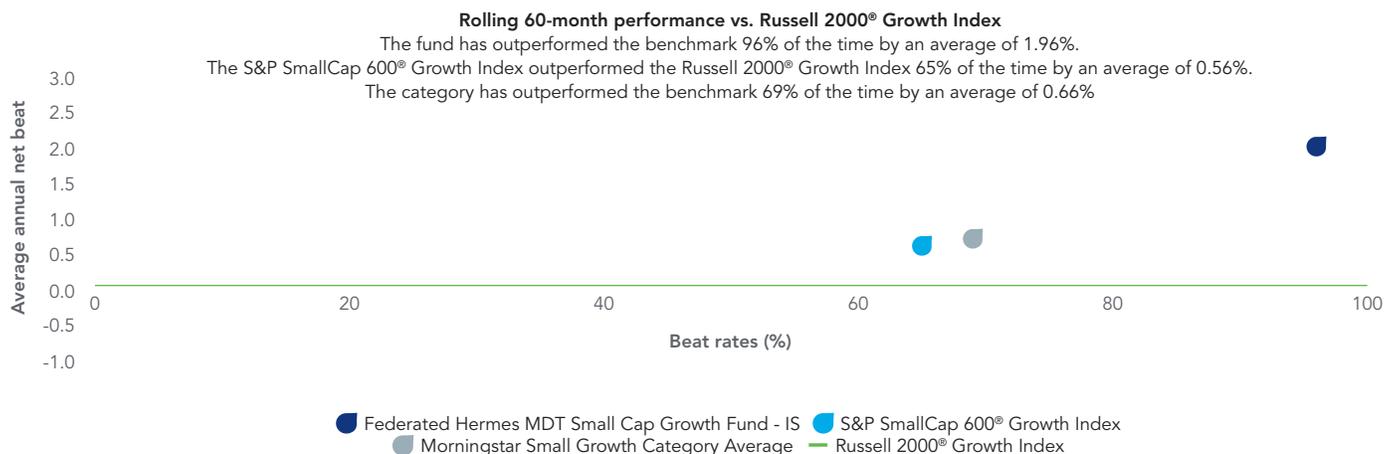

Federated Hermes MDT has been managing active equity strategies for more than 25 years utilizing an unemotional, repeatable and disciplined investment process in constructing a portfolio of stocks. The process focuses on multiple combinations of value, growth/sentiment and quality characteristics that have the potential to provide excess returns over time.

### The fund (QISGX) outperformed its benchmark 72% of the time on a 3-year basis...

Source: Morningstar, Inc. Performance for 3-year periods (1-month step) from 1/1/13 - 6/30/22.  
 In January 2013, major enhancements were made to the MDT investment process.  
 Past performance is not indicative of future results.

### ...and 96% of the time on a 5-year basis

Source: Morningstar, Inc. Performance for 5-year periods (1-month step) from 1/1/13 - 6/30/22.  
 In January 2013, major enhancements were made to the MDT investment process.

	Morningstar Category Rank	232 of 620 funds	323 of 582 funds	397 of 531 funds	124 of 395 funds

Performance quoted represents past performance, which is no guarantee of future results.

Investment return and principal value will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than what is stated. To view performance current to the most recent month-end, and for after-tax returns, contact us or visit [FederatedInvestors.com](http://FederatedInvestors.com). Maximum offering price (MOP) figures reflect the maximum 5.5% sales charge for A Shares.

\* The fund's expense ratio is from the most recent prospectus. The expense ratio may reflect voluntary fee waivers and/or expense reimbursements determined by the fund's Advisor and its affiliates. The voluntary waivers and/or reimbursements, if applicable, are in effect up to but not including the later of 10/1/22 or the date of the fund's next effective prospectus.

Rankings are based on total return and do not take sales charges into account.

Other classes of shares are available whose performance and rankings will differ due to different charges and expenses.

MDT invests simultaneously in various types of companies with favorable value, growth/sentiment and quality characteristics. Below are a sample of top holdings in the portfolio.

Company (ticker)	Portfolio weighting (%)	Benchmark weighting (%)	Excess exposure (%)	Why we own it

Please carefully read the summary prospectus or prospectus before investing.**

The fund is the successor to the MDT Small Cap Growth Fund pursuant to a reorganization that took place on December 8, 2006. Prior to that date, the fund had no investment operations. Accordingly, the performance information shown for periods prior to that date is that of the MDT Small Cap Growth Fund.

### A word about risk

Mutual funds are subject to risks and fluctuate in value.

Small company stocks may be less liquid and subject to greater price volatility than large capitalization stocks.

The quantitative models and analysis used by the fund may perform differently than expected and negatively affect fund performance.

### Definitions

**Russell 2000® Growth Index** measures the performance of the small-cap growth segment of the U.S. equity universe. It includes those Russell 2000® Index companies with higher price-to-value ratios and higher forecasted growth values. The Russell 2000® Growth Index is constructed to provide a comprehensive and unbiased barometer for the small-cap growth segment. The Index is completely reconstituted annually to ensure larger stocks do not distort the performance and characteristics of the true small-cap opportunity set and that the represented companies continue to reflect growth characteristics.

The **S&P SmallCap 600® Growth Index** is composed of small-capitalization U.S. equities that exhibit growth characteristics.

Indexes are unmanaged and investments cannot be made in an index.

Morningstar category identifies funds based on their actual investment styles as measured by their underlying portfolio holdings over the past three years.
