I. Organization and Structure

The Texas Local Government Investment Pools (the “TexPool Portfolios”) have been organized in conformity with the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and the Public Funds Investment Act, Chapter 2256 of the Texas Government Code. These two acts provide for the creation of public funds investment pools and permit eligible governmental entities to jointly invest their funds in authorized investments.

The Comptroller of Public Accounts (the “Comptroller”) is the sole officer, director and shareholder of the Texas Treasury Safekeeping Trust Company (the “Trust Company”), which is authorized to operate the TexPool Portfolios. Pursuant to the TexPool Participation Agreement, administrative and investment services to the TexPool Portfolios are provided by Federated Hermes, Inc. (“Federated”), under an agreement with the Comptroller, acting on behalf of the Trust Company. The TexPool Portfolios are comprised of two investment alternatives: TexPool *Prime* and TexPool. This Information Statement relates only to TexPool *Prime*. TexPool *Prime* may invest in commercial paper and certificates of deposit, as well as obligations of the United States Government or its agencies and instrumentalities, and repurchase agreements.

The Comptroller maintains oversight of the services provided to the TexPool Portfolios by Federated. In addition, the TexPool Advisory Board advises on the Investment Policies for the TexPool Portfolios and approves any fee increases. As required by the Public Funds Investment Act, the Advisory Board is composed equally of participants in the TexPool Portfolios and other persons who do not have a business relationship with the TexPool Portfolios who are qualified to advise the TexPool Portfolios.

III. Understanding the Risks Associated with Investing in TexPool *Prime*

Before making an investment decision, each participant should consider two types of risks in determining whether any investment, including TexPool *Prime*, is appropriate: credit risk and market risk.

Credit Risk. Credit risk is the possibility that an issuer will default on a security by failing to pay interest or principal when due. If an issuer defaults, TexPool *Prime* will lose money. TexPool *Prime* tries to minimize this risk by purchasing high quality securities.

Many fixed income securities receive credit ratings from NRSROs such as Standard & Poor's and Moody's Investors Service. These NRSROs assign ratings to securities by assessing the likelihood of issuer default. Lower credit ratings correspond to higher perceived credit risk and higher credit ratings correspond to lower perceived credit risk.

Credit risk includes the possibility that a party to a transaction involving TexPool *Prime* will fail to meet its obligations. This could cause TexPool *Prime* to lose the benefit of the transaction or prevent the Fund from selling or buying other securities to implement its investment strategy.

Market Risk. Prices of fixed income securities rise and fall in response to changes in the interest rate paid by similar securities. Generally, when interest rates rise, prices of fixed income securities fall. However, market factors, such as demand for particular fixed income securities, may cause the price of certain fixed income securities to fall while the prices of other securities rise or remain unchanged.

Interest rate changes have a greater effect on the price of fixed income securities with longer maturities. TexPool *Prime* tries to minimize this risk by purchasing short-term securities and maintaining a weighted average portfolio maturity of sixty (60) days or less.

IV. Administration of TexPool *Prime*

By executing the Participation Agreement, the Participant has delegated the authority to the Comptroller, or the comptroller's designee, to hold legal title as custodian and to make investments purchased with the Participant's funds deposited in TexPool *Prime*. The Participation Agreement permits the Trust Company to enter into an agreement with a third party investment manager to perform its obligations and services under the Participation Agreement with provision that TexPool *Prime* be managed according to the requirements of the Public Funds Investment Act, the TexPool *Prime* Investment Policy, and in a manner consistent with that directed by the Trust Company.

The Trust Company has signed an agreement with Federated to provide required services to the TexPool Portfolios. The agreement terminates December 31, 2024. The Trust Company has the right, in its sole discretion, to renew the agreement for one additional two-year period to December 31, 2026, and to extend the renewal period for six (6) months to June 30, 2027. The Comptroller maintains control of TexPool *Prime* through a series of daily, weekly, and monthly reporting requirements. Federated serves as investment manager and provides portfolio accounting, custodial, transfer agency, marketing and participant services to TexPool *Prime*.

- **Investment Management.** The Comptroller will provide Federated, TexPool *Prime*'s Investment Manager, with a list of primary dealers and brokers authorized to provide

investment services. All dealers and brokers who desire to become qualified bidders for investment transactions must supply to the Trust Company a completed broker/dealer questionnaire, proof of registration with the Texas State Securities Board, proof of National Association of Securities Dealers (NASD) certification, audited financial statements, and written acknowledgment that the entity has read the TexPool *Prime* Investment Policy and has reasonable procedures and controls to preclude imprudent investment activities arising out of investment transactions conducted between the entity and TexPool *Prime*. Federated will review the financial condition of brokers and dealers with whom it executes investment transactions.

- **Ratings.** To comply with Section 2256.016(h) of the Public Funds Investment Act, TexPool *Prime* will maintain a AAA or equivalent rating from at least one NRSRO. TexPool *Prime* is currently rated AAAM by Standard and Poor's. An explanation of the significance of such rating may be obtained from Standard & Poor's at 1221 Avenue of the Americas, New York, New York 10020.
- **Calculation of Yields and Net Asset Value.** Each day, TexPool *Prime* determines the net interest income for that day. The net interest income is determined by adjusting TexPool *Prime*'s accrued interest for that day by the amortization of any premiums and/or the accretion of any discounts, daily service fee, and any gains or losses from the sale of securities. TexPool *Prime*'s daily interest rate will be determined by dividing the net interest income for that day by the total investable balance of TexPool *Prime* for that day. The resulting rate will then be used to determine the amount of interest income to distribute to each Participant's account. Interest income accrued during the month is credited to each Participant's account at the end of the month and is reinvested unless the Participant provides for its withdrawal or transfer.
- **Valuation of TexPool *Prime* Assets.** All investments are stated at amortized cost, which in most cases approximates the market value of the securities. The objective of TexPool *Prime* is to maintain a stable \$1.00 net asset value; however, the \$1.00 net asset value is not guaranteed or insured by the State of Texas. All TexPool *Prime* securities will be marked to market daily. If the ratio of the market value of TexPool *Prime*'s portfolio securities divided by the book value of such securities is less than 0.995 or greater than 1.005, TexPool *Prime* will sell portfolio securities, as required, to maintain the ratio between 0.995 and 1.005. All gains or losses from the sale of securities will be distributed among TexPool *Prime* Participants over a period of up to thirty (30) days from the date of which the gain or loss is realized.
- **Ethics and Conflicts of Interest.** The Comptroller requires Federated and its staff that are involved with making investment decisions for or executing trades on behalf of TexPool *Prime* to disclose any personal or business relationship with a broker/dealer seeking to sell investments to TexPool *Prime*. These employees are also required to refrain from personal business activity that could conflict with the proper execution and management of the investment program or that could impair their ability to make impartial decisions. Federated's Compliance Officer is required to file a quarterly statement with the Trust Company evidencing compliance with foregoing matters by Federated and its employees.
- **Fees and Expenses.** The TexPool *Prime* service fee is 5.5 basis points annually, calculated daily on the TexPool *Prime* balance. The TexPool *Prime* fee is deducted from the gross interest earned. There is no direct reduction to the Participant's account; thus only the net income is credited to the Participant's account. All TexPool *Prime* rates are quoted net of fees. There are no hidden costs or additional reductions to Participants' accounts. Under the current contract with Federated, the fee may not be raised for the duration of the contract. The contract's initial term ends December 31, 2024, and it is

renewable for an additional two years to December 31, 2026 which may be extended to June 30, 2027 in the sole discretion of the Trust Company.

- **Liability.** Any liability of the Comptroller, the Comptroller’s Office, the Trust Company, representatives or agents or the Trust Company, any Comptroller or Trust Company employee, or any member of the Board for any loss, damage or claim, including losses from investments and transfers, to the Participant shall be limited to the full extent allowed by applicable laws. The Trust Company’s responsibilities under the Participation Agreement are limited to the management and investment of TexPool *Prime* and the providing of reports and information required.

In the event the Participant elects not to ratify the amendment, the Participant may terminate the Agreement in accordance with the applicable Agreement provision. In the event the Participant fails to respond in writing to a notice of amendment prior to the effective date of such amendment, the Agreement shall be deemed amended.
